PRECONTRACT APPROVAL RECORD (PART TWO)	CONTRACT GB-1965
The services and equipment being procured by this Contract No. <u>GB-1965</u> are in furtherance of the <u>COUNTER MEASURES</u> Program(s), the nature of which cannot be publicly disclosed for security reasons. The Contracting Officer therefore determines that this procurement must be accomplished by negotiations pursuant to the authority of Section 3(a) of PL 81-110 and Class Determination and Finding, OXC 2122, signed by the DDCI on 15 October 1961. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress (formerly 10(b) - see 85-507 dated 7/7/58) for each contract. The following comments describe the procurement hereby effected, the terms and provisions generally of this contract/amendment, and a resume of major issues negotiated: This Notice to Proceed authorizes GE-Tempo at Santa Barbara to provide consulting services and test monitoring for the period 1 January 1965 through 30 June 1965. Although this is a limited follow-on of services performed under Contract GA-1853 it was decided not to delay the closing out of that contract by further extension through June 1965 especially since the continued services are so limited in nature. Accordingly the Contractor will provide 393 man-hours over a six month period. It is planned to negotiate a fixed price contract for this limited additional effort. The total effort should not exceed \$16,407.00. Pending negotiation of the contract the Contractor will not incur costs in excess of \$7,000.00 unless specifically authorized. This Notice to Proceed obligates the amount of \$7,000.00. Funds have been approved by OHL for this procurement. Dist: Original - Return to 1 - CD/OSA 1 - BAF/OSA 1st/10 February 1965
